Key sources within The Law Reports, ICLR include:

This online service incorporates the full text of the Law Reports dating back to 1865. The Law Reports are the most authoritative reports available and cited in preference as laid down in the 2001 Court of Appeal Practice Direction "For the avoidance of doubt, it should be emphasised that both the High Court and Court of Appeal require that where a case has been reported in the official law reports, it must be cited from that source".
