

LexisNexis Butterworths Online Personal Injury

The comprehensive and acclaimed online collection of personal injury sources dating back to 1936.

Personal Injury from LexisNexis provides you with access to a wide range of medical related law information such as medical negligence, personal injury litigation, damages for personal injury, and National Health administrative and employment law, including access to the all important damages calculator.

Key Personal Injury sources EXCLUSIVE to LexisNexis:

Butterworths Personal Injury Litigation Service

Relied upon by personal injury professionals and edited by some of the UK's most senior and respected personal injury lawyers, this source provides comprehensive coverage of all aspects of personal injury litigation.

- Includes questionnaires, worked examples, sample letters, precedents, model pleadings, checklists, tables of costs, anatomical drawings, and a glossary of medical terms
- Practical advice clearly showing how the law applies in a wide range of situations
- Also includes quantum summaries, and judgments

Redgrave's Health and Safety

Unrivalled in providing complete up-to-date coverage of health and safety legislation and case developments.

- Provides all relevant key cases, fully annotated, with helpful guidance notes by the editors
- Contains the full published text
- The only work of its kind that sets out all the legislation, with cross-references to the definitions

Full list of sources are provided overleaf
